

K-LOVE (FM 90.1 - Hot Springs, AR) is a station that provides an excellent service to our community. They play uplifting and encouraging music, they focus on positive news items, and they are very family-friendly. I listen to this station 98% of the time I have the radio on.

In addition to this, I have been serving in the U.S. Air Force Reserves for 16 out of the last 26 months. Most of that time has been spent in Oklahoma and Alabama. In both places, I can get a K-LOVE station and it does wonders for my moral and others of us who are away from home. Especially when we know that our loved ones back home are listening to the same broadcast. I appreciate K-LOVE so much that I have supported them financially for the last two years.

Please don't let K-LOVE be displaced by LPFM broadcasters. I definitely believe that the service K-LOVE provides is in the public's very best interests.

Respectfully,
